GEOBLUE TRAVELS WITH YOU

With the GeoBlue® mobile app, world travelers have convenient access to the best local doctors, hospitals and resources anywhere in the world. Use your mobile device to quickly and conveniently connect to quality care across the globe for anything from emergency needs, to filling a simple prescription, to translating your symptoms, to finding the right doctor at home or abroad.

Features of the mobile app include:

- › Search providers for medical, dental, or mental health care and map them using GPS technology
- › Request an appointment with a trusted GeoBlue provider
- › Arrange direct billing for future appointments to secure cashless access to care
- › Find a medication's availability, generic name and local brand name
- › Translate medical terms and phrases for many symptoms and situations; use the audio feature to play the translation
- › Display an ID Card on a smart phone and fax a copy directly to provider's office
